

Vacancy Positions

Organization: SHARE INDIA

SHARE India is a technical assistance and training organization with an objective of human resource capacity building and systems strengthening of public health programs in India.

SHARE India with financial assistance from Centers of Disease Control and Prevention (CDC) – India - Department of Global HIV/AIDS is implementing human capacity development and providing technical assistance to National AIDS Control Program. Under this SHARE India is engaged in working with the decentralised units of NACP (DAPCUs) and developing their capacities. It is also engaged with State AIDS Control Societies to provide technical assistance for various mainstreaming and convergence issues and likely to work on NACP-NRHM convergence and mainstreaming with Tribal welfare departments. Towards this SHARE INDIA invites highly motivated and qualified public health professionals to work with the national program in various capacities.
